Tournament Committee: R.Doolin - M.Tolhurst - J.Wayland

All games must be played to a result.

It is the responsibility of Team Captains to ensure their teams are aware of all their duties and that their ground fees are paid prior to the commencement of their first game.

Failure to carry out duties will be penalised with points deducted from final score.

Failure to pay ground fees before the start of play will see the offending team/players removed from the field until their fees have been paid, however the game will commence on time.

The tournament committee reserve the right to change fields and times in the event of bad weather.
