

STELLA ARTOIS MELBOURNE CUP POLO TOURNAMENT

Dear Players and Teams,

Please find enclosed a nomination and stable booking form for this year's Stella Artois Melbourne Cup Polo Tournament to be held at Werribee Park Equestrian Centre from Friday, 30th October 2009 until Sunday, 8th November 2009.

The first of our major tournaments for the season, the Stella Artois Melbourne Cup is poised to set the season alight with strong interest already on the team and corporate hospitality fronts.

Off field, there will be plenty to be a part of. As part of this year's tournament the Club will be hosting:

- Melbourne Cup Cocktail Party & Season Launch
- Melbourne Cup Teams Dinner hosted by the President and committee of the Victorian Polo Club
- In addition, we can assist you with organisation of any other leisure activities whilst you are in Victoria for the tournament, from packages to the Races, rounds of golf and more. The VPC aims to make your time during this tournament as enjoyable as possible both on and off the field, so don't hesitate to contact us if we can be of assistance.

TOURNAMENT INFORMATION

Handicaps

- The maximum handicap per team is 14 goals.
- The minimum handicap per team is 12 goals.
- Any minus rated player wishing to participate in the tournament must have the approval of the Tournament Committee as to their safety, and assume a handicap of 0 goals.
- The only exception to this rule will be any patrons with a handicap of -2, who must assume a handicap of -1, or players at the discretion of the committee.
- All players will play off their current Australian Handicap.
- In the event they don't have a current Australian handicap they will play off their highest world handicap.
- In determining a player's highest world handicap, it will be the higher of any current International handicap, and any endorsed change in handicap.
- For the purposes of The Melbourne Cup tournament, an endorsed change in handicap is where the official handicapping body of a recognised polo playing country have met prior to the 20th of September 2009, and determined a handicap change. This rule applies regardless of when the change in handicap is officially due to take effect.
- No team will be accepted into the tournament if the handicap aggregate of the team exceeds 14 goals on the criteria outlined in Clauses I, II and III.
