

Horses & Vehicles - Traffic Flow & Parking

- ◆ Vehicles are no longer to drive in front of the **Club House / Toilets** area as marked. **This is now a kid safe zone.**
- ◆ Vehicles are no longer to park beside and in front of the Club House & /or Toilet area. Please use the **designated parking** area near the toilet block or park under the trees as usual.
- ◆ Vehicles are no longer permitted to drive immediately **behind the # 1** and it is **not a thoroughfare for traffic**. This is now a horse & pedestrian zone. Access to trucks by vehicles is now via the new designated road way.
- ◆ Access to the # 2 and mound is by the **new designated road way**, keeping right and not cutting the corners across the back of the # 1.
- ◆ Truck parking as indicated below. When behind the # 1, we suggest parking with the tailboard facing the field (for social reasons!).

- ◆ **Tie Rails** and yards are only located behind the # 1
- ◆ Trucks not requiring tie rails can also park well behind the # 2, there is no need to have congestion all around the # 1.
- ◆ **Wash bays** are located in between the # 1 & # 2 & in the corner behind the # 1
- ◆ **Grooms to note** - spare ponies are to be held between the # 1 & 2. In front of the club house and main public area is now a kid and pedestrian safe area.
- ◆ Please **discard of all rubbish** and tape in the bins provided around the pony lines
- ◆ **Helmets compulsory** & keep the **front gate shut** at all times.
